NOTIFICATION OF ERROR IN SMALL ENTITY STATUS AND PAYMENT OF
DEFICIENCY OWED UNDER 37 C.F.R. 1.28

Commissioner for Patents
Washington, D.C. 20231

Sir:

Status as a small entity in the above-referenced case was established in error without deceptive intent. Small entity status was claimed in error on the Patent Application Transmittal Letter at the time of filing. This application is a continuation/division of U.S. 09/748,344, which does not claim small entity status. It is believed that the subject matter of this application as its parent is subject to a license to a large entity. The error in entity status listed on the filing papers is believed due to a clerical error. Several fees were paid as those required for a small entity in error. This error occurred in good faith and without intent to deceive.

To comply with 37 C.F.R. 1.28(c)(1) and (2), the deficiency owed is itemized below:

The filing fee was erroneously paid as a small entity. The current basic fee amount for a large entity is \$740. The case contained a total of 31 claims with 11 claims in excess of 20, for a current fee of \$198. The surcharge is \$130. Total fees due as a large entity are \$1,068. The

small entity amount actually paid with the Transmittal of Missing Parts on October 12, 2001 was \$519. A deficiency amount of \$549 is due.

A check in the amount of \$549 is enclosed. If the enclosed amount is incorrect, please charge any deficiency or credit any overpayment to deposit account no. 07-1969.

Respectfully submitted,
